**Registration Information**

Complimentary conference registrations included with your ITC exhibit and/or supporter package may be used to register exhibit room staff and regular conference attendees. All author registrations must be purchased separately. Registration details will be provided once registration is open.

**ITC Virtual Landing Page**

While we are still awaiting access to the Underline platform, which will be used to facilitate the ITC virtual conference and exhibits, please review the following screen shot, which provides some insight into what the exhibitor page will look like.

The landing page will include the following areas that you will be able to customize:

- About section
- Overview section
- Video (can upload a video you'd like to play)
- Tool that allows for the set-up live meetings. Attendees will be able to request meetings with you.
- Add social media, website, and email links.
- Add PDFs and other documents you'd like attendees to access

Attendees will be able to access the booths from the Expo menu and the home page.
