

ITC Corporate Forum Track

The Corporate Forum Track will be on Tuesday and Wednesday in a comfortable meeting area adjacent to the exhibits floor. This will integrate the presentations more cohesively with traffic from the ITC exhibition October 30 & 31, 2018.

Presentations will start during lunch, at 20-minute intervals spread across Tuesday and Wednesday to minimize conflict with the Conference Technical Program. The 20 minute length allows attendees to enjoy multiple presentations in a short time span, and is scheduled at a fast pace to keep this event more interesting. Scheduling is setup to maximize attendance.

This marketing tool is provided free of charge for exhibitors and supporters to present the latest developments from their companies, and promote their activities at ITC. We encourage you to take advantage of this benefit, and to promote it with an ITC email blast and through your other marketing channels.

Reservations will be filled on a first come first served basis, **starting on August 17 and ending Sept. 14, 2018**. This deadline is necessary so that we can finalize the presentation time slots, and publish a schedule in the conference guide.

Corporate Forum presentations are managed by **Rob Knoth**, knoth@cadence.com. **Please contact Rob via email if you wish to participate**, or if you have any questions or comments. We look forward to working with you.
