

ITC Corporate Forum Track

The Corporate Forum Track will be on Tuesday in a comfortable meeting area adjacent to the exhibits floor. This will integrate the presentations more cohesively with traffic from the ITC exhibition.

As in previous years, our Diamond Supporter plans to provide a 1-hour presentation in the morning followed by a hosted lunch. The remaining presentations will start at NOON, then at 20-minute intervals on Tuesday to minimize conflict with the Conference Technical Program. The 20 minute length allows attendees to enjoy multiple presentations in a short time span, and is scheduled at a fast pace to keep this event more interesting. There are 6 time slots available, scheduling is setup to maximize attendance.

This marketing tool is provided free of charge for exhibitors and supporters to present the latest developments from their companies, and promote their activities at ITC. We encourage you to take advantage of this benefit, and to promote it with an ITC email blast and through your other marketing channels.

Reservations will be filled on a first come first served basis, starting on **Sept. 3 thru to Sept.16** This deadline is necessary so that we can finalize the presentation time slots, and publish a schedule in the conference guide.

Corporate Forum presentations are managed by Bill Lowd, bzintrnatl@aol.com. **Please contact Bill directly via email if you wish to participate**, or if you have any questions or comments. We look forward to working with you.

Important Dates

- **October 1:** Corporate Forum requests **with titles, presenters and abstract** for the conference guide are due
- **October 15:** Corporate Forum materials are due

This has been a popular program over the past several years, we look forward to working on it with you.
