INTERNATIONAL TEST CONFERENCE
September 21-26, 2025

ITC 2024

International Test Conference, the cornerstone of TestWeek™ events, is the world's premier conference dedicated to the electronic test of devices, boards and systems-covering the complete cycle from design verification, test, diagnosis, failure analysis and back to process and design improvement.

At ITC, test and design professionals can confront the challenges the industry faces and learn how these challenges are being addressed by the combined efforts of academia, design tool and equipment suppliers, designers, and test engineers.

Why Become a Supporter?

IEEE ITC provides various ways for supporters to help improve the community while gaining exposure as well as other benefits which include:

- Meet conference participants from around the world—potential customers and collaborators—leading researchers from government, industry, and academia who specialize in electronic testing and related fields.
- Gain worldwide recognition and visibility for your brand with expanded virtual branding opportunities.
- Promote your organization in the official conference materials. Your organization name, logo, and website will be added to the conference proceedings, the final program, and the conference website.
- Receive complimentary registrations enabling your company to reach potential customers and recruit potential candidates.

IEEE ITC attracts decision-makers looking for the next generation of products, solutions, networking, and advanced-industry perspectives. Put yourself in the position to meet them at IEEE ITC 2025!
